

OPEN BIDS FOR HOSPITAL WING TUESDAY NIGHT

The sealed bids of eight contractors for the construction of a new wing to the Warner hospital were opened by the directors of the hospital at a special meeting Tuesday evening in the directors' room.

Immediately upon reading the bids and the alternate proposals the architect and engineering firm were directed by President Wilbur Bankert to prepare a resume of the proposals for study by the building committee. Following selection of the lowest net bid and securing approval of the Hill, Burton authorities, the board will let the contract. This is expected to take place within the next few weeks.

The proposals call for completion of the building within one year of the date the contract is signed.

Following the reading of the bids, President Bankert conducted a routine business session.

Three Busy Months

January, February and March were busy months at the hospital with admissions each month running well over 300 and showing an aggregate figure of 97.

The daily census in January was 89; in February 80 and in March 77. Births during the three months totaled 233.

Cash collections for the three months totaled \$134,477.32 while expenses were \$13,422.15 for an increase in general funds of \$252.17.

On recommendation of the medical staff Dr. James W. Sheppard was elected to the dental division of the staff. In another resolution all present active, courtesy and consulting members of the medical staff were reappointed for another year.

President Bankert received reports of necessary repairs that were made during the first quarter and also of nominations for the annual meeting which will be held in June at the close of the fiscal year.

JOHN G. AYRE DIES SUDDENLY TODAY AT 86

John G. Ayre, 86, died suddenly this morning at 9 o'clock at his home in the Pitzer Apartments, 516 Baltimore St.

He had been in his usual health until Wednesday evening when he complained of "feeling tired" and a physician was summoned. This morning he seemed to have regained his normal health and went walking on the lawn at the apartments. He returned to the house, complaining of feeling "tired" and lay on a bed. Death followed apparently within few minutes.

A native of Durham, England, he was a son of the late James and Hannah (Liddle) Ayre. He moved to the U.S. early in life and for many years was a mining superintendent in the Wilkes-Barre area. He moved to Gettysburg in 1951.

Father Of Eight

Surviving are his wife, the former Mary I. Summerson, and eight children: Mrs. Frances Ayre Dunne, housemother at Buehler Hall, Carlisle St.; James Ayre, Harrisburg; John G. Ayre Jr., Pensacola, Fla.; Thomas H. Ayre, Milwaukee; Mrs. Hannah Dashley, Cape Vincent, N. Y.; Kenneth S. Ayre, Margate, N. J.; Wesley L. Ayre, Harrisburg, and William S. Ayre, Carlisle St.

He was a member of the Gettysburg Methodist Church and of Fidelity Lodge 655, Free and Accepted Masons, Wilkes-Barre. Funeral arrangements, being made through the Peters Funeral Home, Carlisle St., are incomplete.

HOSPITAL REPORT

John Michael Caldwell, 154 Howard Ave., was operated upon this morning at the Warner Hospital for the removal of his tonsils. Admissions: Mrs. Franklin Pifer, Littlestown; Mrs. Emmett Eyer, Thurmont; Mrs. Roy Hill, Westminster; Mrs. Donald Eline, R. 5; Mrs. Paul Case, Westminster.

Discharges: Herbert Keefer, Aspers; Philip Topper, Emmitsburg; Mrs. Gustav Ostrom, Abottstown; Steven Keller, R. 4; Larry Scott, 25 Hanover St.

RAILROADERS TELL ABOUT "EARLY DAYS"

(See Picture On Page 3)

Railroading in Adams County was traced back 75 years to the days of the wood-burning steam engine by two veteran railroadmen in talks given before the Adams County Historical Society at its meeting Tuesday evening in the Court House.

Samuel Weiser, Gettysburg R. D., and Mahlon P. Hartzell Sr., E. Lincoln Ave., both retired employees of the Gettysburg and Harrisburg railroad, traced the history of that railroad from its beginning.

Weiser's father was Samuel H. Weiser, an employee of the South Mountain railroad who helped build the line to Gettysburg as operator of an engine 75 years ago.

Started At 16 Years

Weiser himself made the second trip over the Gettysburg and Harrisburg railroad on April 21, 1884. Weiser's father was the engineer on the first locomotive to make the trip from Gettysburg to Harrisburg on the morning of April 21, 1884. On his return trip that evening Samuel H. Weiser's family, including the speaker Monday night, traveled on the train to Gettysburg from Pine Grove Furnace, in moving from there to a home on Chambersburg St.

Weiser became a railroad employee at the age of 16, as fireman on the "Gertrude," last of the woodburning engines. Hartzell held that Weiser, a veteran of 47 years of railroad experience, is one of the few surviving "who worked on the wood-burners."

Shortly after Weiser began his railroad career the "Gertrude" was broken up and all coal locomotives came into use.

How Line Was Laid Out

Weiser recalled that in addition to the tender on the locomotive, the (Continued On Page 12)

Is Sent To Jail On Noisy Muffler

Lawrence W. Rentzel, 22, Fairfield R. 2, was sentenced to 15 days in jail and ordered to pay a \$25 fine and costs when he appeared before Justice of the Peace John Whitman, Gettysburg R. D., Tuesday night and entered a plea of guilty to a charge of driving a car with a defective muffler.

The charge was placed by state police. Justice Whitman said Rentzel had been charged with having a defective muffler a year ago and paid a fine of \$10 and costs at that time before the Cumberland Twp. Justice. Whitman said Rentzel was warned at that time about the muffler and was charged again on the same offense April 9. At that time Justice Whitman gave Rentzel 10 days to appear. When Rentzel failed to appear Whitman said he issued a warrant for the Fairfield R. 2 man's arrest and state police brought Rentzel before the justice Tuesday night. Because it was the second offense on the same road at about the same place, Whitman said he imposed the jail sentence as well as the fine.

POSTMASTER EXAM FOR JOB HERE LISTED

An examination for the postmastership at Gettysburg, vacant since the sudden death last August 22 of Lawrence E. Oyler, has been announced by the U.S. Civil Service Commission.

The commission will receive applications until May 27.

Since March 22, Dewey E. McCauslin has been the acting postmaster and until he took over at that capacity the office was under the direction of Assistant Postmaster Arthur W. Warman.

RED CROSS TO SEEK TO JOIN CHEST DRIVE

Directors of the Adams County Chapter of the Red Cross voted Tuesday evening to make application for admission to the Gettysburg Community Chest after approving a "memorandum of understanding" between the two groups worked out in advance of the meeting by Chest and Red Cross representatives.

If admitted by the Chest and approved by the area office of the Red Cross, the new arrangement will go into force in the next Community Chest campaign in October.

The annual Red Cross fund drive next March would be conducted in all parts of the county except in Gettysburg and its immediate rural vicinity which is Community Chest territory.

Junior Red Cross Unaffected

Reports on the negotiations with Chest officials were given to the Red Cross board by Col. Edwin Johnson, who has been chairman of the Finance committee of the Red Cross. He and Hugh C. McIlhenny were named as the chapter's representatives to the Chest organization in the event the Red Cross does become a member.

Col. Johnson read the Community Chest's constitution and bylaws to the Red Cross board and in a preliminary motion the directors went on record as "understanding and agreeing to" the terms of the document.

The Junior Red Cross fund raising and activities would not be affected by the Chest membership for the adult chapter, it was pointed out. Provision also is made for emer- (Continued On Page 12)

LAW DAY U. S. A. TO BE OBSERVED HERE THURSDAY

The Adams County Bar Association, cooperating with the Pennsylvania Bar Association and the American Bar Association, will observe "Law Day U.S.A." on Thursday.

The local observance will be held at a Bar Association dinner at the Hotel Gettysburg Thursday evening when Judge Walter I. Anderson, of York, will speak. His address will be tape-recorded and broadcast over WGET later in the evening.

In issuing a proclamation for the observance President Eisenhower wrote in part:

Eisenhower Proclamation
WHEREAS it is fitting that the people of this nation should remember with pride and vigilantly guard the great heritage of liberty, justice and equality under law which our forefathers bequeathed to us; and

WHEREAS it is our moral and civic obligation as free men and as Americans to preserve and strengthen that great heritage; and

WHEREAS the principle of guaranteed fundamental rights of individuals under the law is the heart and sinew of our nation, and distinguishes our government system from the type of government that rules by might alone; and

WHEREAS our government has served as an inspiration and a beacon light for oppressed peoples of the world seeking freedom, justice and equality for the individual under laws; and

Help Cause Of Peace
WHEREAS universal application of the principle of the rule of (Continued On Page 2)

INLAND GIVES \$1,500 CHECK TO BOY SCOUTS

The Inland Container Corporation Foundation, of Indianapolis, with a branch plant at Biglerville, today presented a check in the amount of \$1,500 to Scoutmaster Glenn A. Bream for Boy Scout Troop 70, of Arendtsville, "in memory of Mrs. S. M. Drum who was very much interested in the Boy Scout program." Mrs. Drum was killed in an automobile accident a few weeks ago. Her husband, S. M. Drum, was assistant scoutmaster of the troop and her son, Michael Drum, was a member of the troop.

The presentation was made shortly before noon today in the Hotel Gettysburg by Russell Speigle, division works manager, for Inland.

Inland Container Corporation Foundation made the presentation, Speigle said, because of Mrs. Drum's interest in Scouting. He also said that "the high caliber of men like Mr. Drum make these presentations possible and pleasant." The latter is plant works manager of the Biglerville plant.

In accepting the check Mr. Bream said he did so on behalf of the entire troop. He also expressed his thanks for the service rendered the troop by Mr. and Mrs. Drum and their son.

Others at the presentation were Michael Drum, son of the woman in whose memory the check was presented, Stanley C. Rogers, district Scout Executive, and Leslie V. Stock, Biglerville, Black Walnut District Chairman.

LACERATES THUMB

Harry A. Lear, 36, 213 Chambersburg St., was treated at the Warner Hospital for a laceration of the right thumb sustained while doing plumbing work at his home Tuesday.

FBI agents and state police searched the York - Adams County area today for John B. Bowring, 49-year-old Aspers R. 1 man, charged with robbing the East Berlin National Bank on Monday of \$2,955.

The officers centered the search in the York County area after an automobile believed to have been used in the getaway was found abandoned in a wooded lane, along the Harmony Grove road, about three miles northwest of Dover.

The FBI and state police said that Charles Spangler, assistant cashier of the bank, identified a photograph of the suspected sought.

They also said a man answering Bowring's description was seen near the scene of the abandoned car.

Carl E. Hennrich, special agent in charge of the Federal Bureau of Investigation office in Philadelphia, said that a process for Bowring's arrest had been issued by Assistant United States Attorney Henry Morgan, Scranton, Tuesday, and that a warrant for his arrest was issued by U. S. Commissioner Charles J. Ware, Harrisburg, the same day.

The Times learned today that State Police, who with the FBI are continuing the investigation, believe that the suspect is in the vicinity of York and his arrest appears imminent.

Resided In Area

Bowring is charged with "violating U.S. Code Title 18, Section 2113 (a-d) in entering the East Berlin National Bank, a banking institution organized and operated under the laws of the United States, with intent to commit a felony and took from the bank approximately \$2,955" and placed "the life of a bank employee in jeopardy by displaying a firearm."

Bowring is said to have been residing in the vicinity of Adams and York counties.

The FBI would not divulge how they suspected Bowring. When asked if they received his name through the license plates on the car they would not say.

The lone bandit, wearing sun glasses, a green jacket and a cap, entered the bank at 2:05 o'clock Monday afternoon and at gunpoint fled with \$2,955. He drove toward York in a Buick sedan.

State Police today were centering their investigation in the York County area.

An early arrest is expected.

KNIGHTS PLAN PARADE, RITES HERE ON SUNDAY

The annual Ascension Festival and memorial service of Division 16 of the Grand Commandery of the Knights Templar of Pennsylvania will be held Sunday afternoon at 2:30 o'clock in the National Cemetery following a 2 o'clock parade from Lincoln Square.

The address at the cemetery will be delivered by Rev. William E. Trexler, Lancaster, eminent grand prelate of the Grand Commandery. Presiding at the cemetery exercises will be Paul C. Rodenhauer, Columbia, commander of Division 16 of the Knights Templar. The invocation will be given by Dr. Harold A. Dunkelberger, Gettysburg, and then the knights with raised swords will repeat the Apostles Creed. They will repeat next the Lord's Prayer with swords at "order."

Ike Says Employment Gain Doesn't Mean Fast Recovery

By MARVIN L. ARROWSMITH
WASHINGTON (AP) — President Eisenhower said today the April decline in unemployment cannot be interpreted as meaning for sure that the nation is on the high road to recovery from the recession.

But he said he believes there is continuing evidence the business slump is flattening out.

Asked at a news conference about the possibility of an anti-recession tax cut, Eisenhower stuck to his previous position—that the situation must have more study and analysis before a decision on that.

78,000 Decline
The first question put to Eisenhower was whether he believes the 78,000 decline in unemployment for the month ended in mid-April means that an economic upturn is under way.

The President replied he does

PLAN FOR FULL PARTICIPATION IN C-D TEST

School children throughout the county will participate in a nationwide civil defense test for the first time Tuesday morning, County Civil Defense William G. Weaver announced today in urging attendance by representatives of public and parochial schools at the county-wide Civil Defense meeting Thursday evening at 8 o'clock in the court house here.

The test Tuesday will be the fifth national exercise held since the close of World War II, Weaver said, "but it is the first to take place with all schools in session. For this reason special emphasis will be placed on school self-protection measures."

Final plans for the county's participation will be made at Thursday night's session and representation is asked not only from the schools, but from the college and seminary, local state agencies, the hospital, Boy Scouts, all fire companies in the county, auxiliary police and welfare units.

Between 9 and 11 A.M. The test alert will be held locally, and through the nation, between 9 o'clock and 11 o'clock Tuesday morning. Shortly after 9 o'clock that morning the "alert" or "attention" signal, a long steady sound on sirens, horns and whistles will be given.

The sounding of the signal will be followed by special radio and television broadcasts to the effect that a simulated air raid warning has been received and that enemy bombers theoretically are approaching Pennsylvania from the north. An hour or so after the "alert" signal is given, the "take cover" signal will be sounded—at three-minute "warning" signal on sirens, horns and whistles.

Traffic Will Stop When the "take cover" signal is given, school children and the public generally will be required to "take cover." County civil defense and police forces will bring street and highway traffic to a halt.

Individuals on sidewalks will be asked to seek refuge inside nearby buildings, Weaver said.

Everyone will remain under cover until the third siren signal, a repeat of the long, steady alert signal, is heard. The signal will also be followed by a special broadcast. The schools are urged to use the test as a time to practice their standard "take cover" measures for the students.

POSTMASTER

(Continued From Page 1)

\$5,800, according to the Civil Service Commission announcement which continued: "The commission is taking all possible steps through special publicity to civic and other community organizations to encourage well qualified persons to apply for the examination."

Competitors for the appointment must have "several years of experience showing they have the ability to direct, manage and operate efficiently the work of a large business organization. They must also demonstrate leadership qualities and ability to direct relatively large groups of people through intermediate supervisors. In addition, the applicants must show that they can deal agreeably and effectively with the public," the announcement states.

There is no written test for the position. Applicants will be rated competitively on evaluation of their business or professional experience, training and general fitness for the position.

There is a one-year residence requirement and applicants must have reached their 18th birthday on the closing date for receipt of applications. Persons over 70 years of age may not be appointed. Applicants must be physically able to perform the duties of the office. Preference benefits for veterans, their widows or mothers are given under certain conditions.

Names of the three highest eligibles are certified to the Post Office Department by the Civil Service Commission and the appointment will be made from that list. Application forms may be secured at the local postoffice or from the U.S. Civil Service Commission, Washington 25, D. C.

TWENTY-FIVE YEARS AGO

High Comedy Witnessed By Fair Audience: A fair-sized audience witnessed the performance of "Where's Peter?" a three act comedy, presented by the senior class of Gettysburg high school in the high school auditorium Friday evening.

Miss Mary Louise Dougherty gave a particularly impressive performance. Gordon Davies was very effective as was Miss Mildred Shoop, Miss Helen Cline, Miss Kathleen Black and Murray Frazee in the leading roles.

Grace Dodge Girls Elect Officers: The Grace Dodge Girl Reserves met at the Y.W.C.A. Thursday afternoon for the purpose of electing officers for the ensuing year. Miss Charlotte Waltemyer was chosen president; Miss Mary Elizabeth McIlhenny, vice president; Miss Kathleen Butt, secretary, and Miss Jeannette Spangler, treasurer. The club has an enrollment of about fifty girls of the high school. Advisors who will continue the work next year are the Misses Martha Larson, Ruth Scott and Reida Green.

Organize New Scout Troop: A new troop of Boy Scouts was organized at Bendersville Thursday evening. Thomas B. MacAuley, Hanover, scout executive in the York-Adams district, and Mrs. S. W. Frost, Bendersville, were in charge of the organization of the troop, which will be known as Troop No. 35.

The Bendersville committee in charge of the troop comprises the Rev. O. D. Coble, D. F. Dettler and H. W. Knouse.

Guy Stock and George Shriver will be scoutmaster and assistant scoutmaster respectively for the troop.

Ten boys were signed up at the organization meeting. They are: Robert Eldon, Freemont Kunz, Glenn Feters, Richard Feters, Byron Jones, Paul Jones, Junior Routsong, "Pappy" Routsong, Chester Ogden and Stanley Sheely.

To Dedicate Littlestown School May 21: Plans for the dedication of Littlestown's new high school building are being formulated by the school board there.

Dr. Henry W. A. Hanson, president of Gettysburg college, will be the principal speaker at the dedication exercises which will be held on Sunday afternoon, May 21. Miss Marie Budde, a native of Littlestown, now an opera star, will sing at the exercises.

Mrs. M. Eckert Named Head Of Mothers' Club: Mrs. Mark K. Eckert, Springs avenue, was elected president of the Gettysburg Mothers' Club at a meeting of the home of Mrs. A. R. Wentz, Seminary avenue, Wednesday afternoon. She succeeds Mrs. Anna Plank, Lincoln avenue, who held the office for two years.

Other newly elected officers include Mrs. Robert Berkheimer, secretary; Mrs. M. T. Hartman, assistant secretary and Mrs. Kenderton Lynch, corresponding secretary. Officers who were re-elected include Mrs. Chester N. Gitt, vice president; Mrs. Edgar L. Dear-dorf, treasurer; Mrs. C. Richard Wolff, assistant treasurer, and Mrs. Lloyd C. Keefeauver, Mrs. A. R. Wentz and Mrs. Thomas L. Cline, directors.

Dramatic Club Is Reorganized: Fred G. Pfeiffer was elected president of the Gettysburg Dramatic Club at a reorganization meeting held Wednesday evening at the home of Miss Mary Ramer, Bender Apartments, Baltimore street.

Norton C. Miller, was elected vice president; Miss Mary Ramer, treasurer; Mrs. William G. Weaver, secretary, and Miss Ellen E. Tipton, historian; Dr. Richard A. Arms, dramatic director, and Charles J. Myers, stage director.

School Board Slashes Tax Rate Two Mills For 1953-54 School Term: Gettysburg's public school expenditures for the 1953-54 term will not be in excess of \$86,426.25, a decrease in the current costs and considerably lower than the budget for many previous terms, according to the school board.

Today's Talk

PARTINGS
I am writing on a universal subject when I write about partings. How they dog our steps from the cradle to the grave — and all between. The welcome and the farewell — both significant. I recall my first long time away from home when I left to enter college at Ottawa, Kansas. I was "homesick" the moment I arrived and unpacked my small trunk. But a kindly professor took me in for the first night and reassured me. Next morning, at the college chapel, the president of the college made the remark that anyone who was homesick undoubtedly came from a good home. Friendliness and kindness on the part of all soon took away the homesickness.

The saddest partings are those from our own kin. We understand them so much better than anyone else. I was blessed with a great father and mother, and four sisters. Only one sister now remains. My sorrows, however, are not unusual, but the inheritance of nearly everyone. We can only thank God we have been given the length of life that we have. It distresses me to read, or learn, of unhappiness anywhere.

One of my prized etchings is by Forain, the French artist, who died quite recently. His "The Prodigal Son" is a great masterpiece. As you look upon it you think of the parting of father and son, but mostly of the return of that boy about whom that father had given up his time of wild living and had said: "I must return to my Father." That Forain etching has many a sermon hidden between its magic lines. Many an hour have I spent after retiring for the night recalling the dear ones lost to me, but somehow I am getting to the point where I feel they are not lost to me, but only absent!

Tomorrow Mr. Adams will talk on the subject: "Expect the Best!" Protected, 1958, by The George Matthews Adams Service

Just Folks

THE BRIGHT SIDE
Kinder like to see the bright side. See the gay and dancing light side.

See the good and decent right side. Of the worst that happens me. For the gloomy and the grim side And the "worst-is-yet-to-come" side

And the "fate-is-going-some" side Any pessimist can see.

Kinder like to take my troubles Come they singly or in doubles, As a boy does blowing bubbles, In a hopeful sort of way.

Kinder like to look around them, Sorter wishful like and sound them, And eventually surround them Till once more I'm feelin' gay.

Oh, this thing that's known as worry, That brings grouches in a hurry From your side will quickly scurry

If you keep a lifted chin, If you look you worries over Something cheerful you'll discover;

You will get one breath of clover And one more you'll wear a grin.

FARMERS MAKE HEADWAY WITH FIELD WORK

HARRISBURG (AP)—Pennsylvania farmers made headway with field work by the end of last week, the State Agriculture Department reports.

In a federal-state weekly weather and crop roundup, the department noted yesterday that fairly heavy rains and temperatures drops helped make the soil workable.

The report continued: "Cherry, peach and pear trees were in blossom over most of the state by Monday. Most apple trees are expected to be in full bloom by next Sunday when guided blossom tours are scheduled in Adams and Berks counties.

Some Are Planting
"Planting of early potatoes has started in some southeastern Pennsylvania areas where the setting of early cabbage plants is making progress.

"Planting of oats and plowing for corn made good headway in nearly all parts of the state. Winter grains continued making good growth and oats were showing green in some southern counties.

"Planting of corn has started in a few sections of the southern tier and in other areas the farmers are busy preparing for planting of the crop.

"Most dairy farmers in southern counties have turned cattle on pasture. Alfalfa is being sprayed for spittle bug control in many sections of the state.

"Spinach has started moving to markets in small volume from the southeast."

HAMMARSKJOLD INTERVENES ON ARCTIC PLANS

UNITED NATIONS, N.Y. (AP)—Diplomats speculated today on the effect — if any — U.N. Secretary General Dag Hammarskjold's Security Council intervention on behalf of the U.S. arctic inspection plan will have on the veto-wielding Soviets.

Hammarskjold, who normally goes in for private diplomacy, surprised everyone Tuesday night with an unprecedented endorsement before the council of the U. S. proposal opposed by the Soviets.

Speaking briefly at the close of debate, the secretary general told the 11-nation council he welcomed the U.S. initiative in proposing that the northern area be put under international inspection against surprise attack. He expressed hope the proposal might break the current disarmament stalemate.

Reaction On Friday
Soviet Delegate Arkady Sobolev listened tight-lipped. The U.S.S.R. was expected to give some indication of her reaction when the Council resumes debate Friday.

Sobolev had denounced the U.S. resolution as an effort to divert public opinion from Soviet charges that peace is endangered by flights of U.S. nuclear bombers across the arctic toward Soviet soil. He introduced a counter resolution to pass the U.S. proposal on to a summit conference. In Moscow, Soviet Foreign Minister Andrei Gromyko derided the U.S. proposal as a "matter of sheer publicity" and a move to get intelligence data on Soviet arctic territory.

DIES DURING MASS

BEVERLY HILLS, Calif. (AP)—The pastor of the Catholic church where many film stars worship died on the altar while celebrating Mass.

"Most Sacred Heart of Jesus, have mercy on us," intoned the Rt. Rev. Msgr. Patrick J. Concannon, 63, at the conclusion of the service Tuesday. Then he collapsed on the carpeted stairs of the altar at Good Shepherd Church.

MAY RUN AGAIN

DALLAS (AP)—W. Lee (Pappy) O'Daniel, colorful campaigner who stages rallies with fire trucks and hillbilly bands, said Tuesday night he wants to try for the governorship again.

O'Daniel was elected to the governorship in the late '30s and later served as a U.S. senator.

MISTAKEN IDENTITY

TUCSON, ARIZ. (AP)—Albert DeVoe, found asleep in a parked car, told police he was waiting for the return of the owner, who had promised him a ride home.

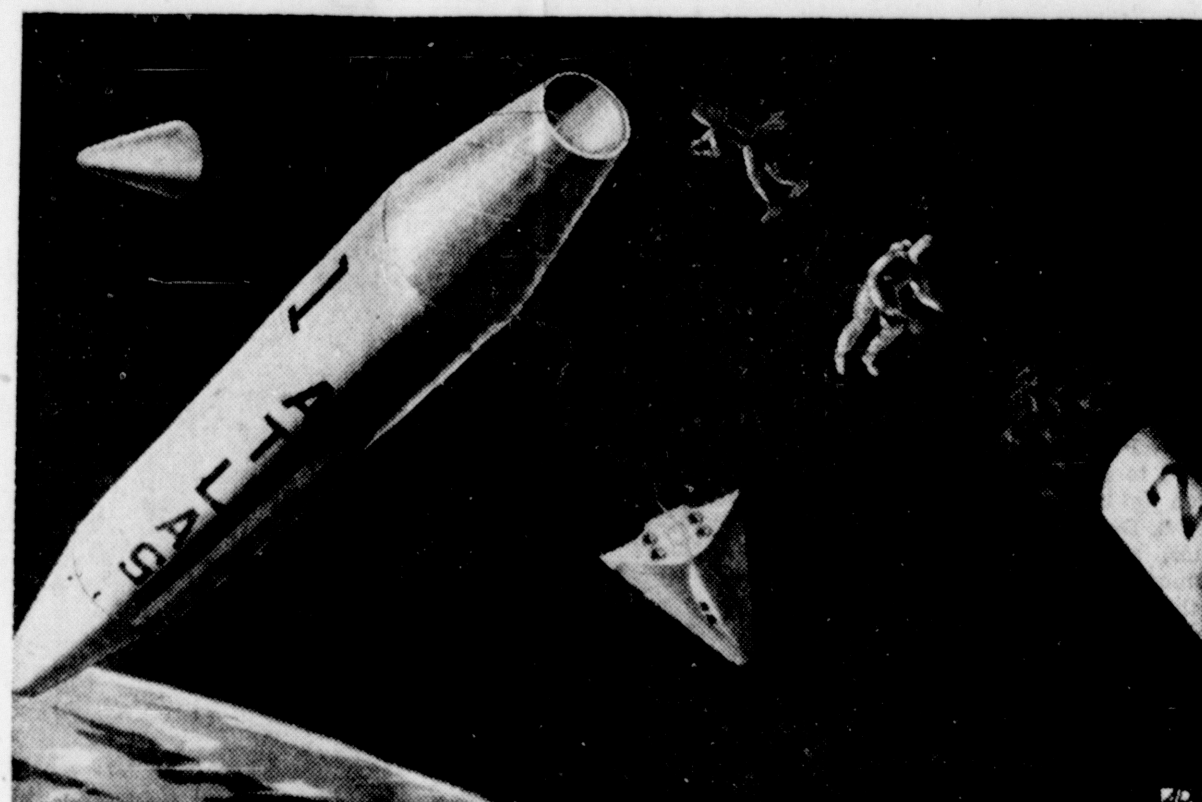

Police took DeVoe to jail after pointing out the car had no engine, four flat tires and had been parked on the lot for more than a year.

Pennsylvanian Cited For Heroism

WASHINGTON (AP)—Alex Dukko of Marianna, Pa., was one of 11 men honored today for heroic action in saving the lives of other persons.

The awards, issued by the Joseph A. Holmes Safety Assn., were announced by the U. S. Bureau of Mines.

Honored in a group award were 13 workers at the No. 31 mine of the Pocahontas Fuel Co., McDowell County, W. Va., for their work in finding a place of safety and building barricades after an explosion.

The Idaho Education Assn. estimates the cost of operating its school system is 75 million dollars annually.

DEMAND NEGRO ON TIGER TEAM

DETROIT (AP)—The Detroit Tigers have refused to make a definite commitment to sign a Negro baseball player despite the threat of boycott action against Briggs Stadium.

Harvey Hansen, Tiger president, said Tuesday a Negro group which calls itself the Briggs Stadium Boycott Committee of Detroit demanded to know when the club planned to sign a Negro to a major league contract.

"They insisted that we make such a commitment whether we had a qualified major league Negro ballplayer or not," Hansen said. "We refused, however, to make a definite commitment, in spite of the threat of boycott."

Hansen said he told the group the Tigers were making every effort to develop qualified big league players, regardless of color, and that Detroit would have a Negro player on its roster "at the earliest date that such a qualified player was ready."

The committee is headed by the Rev. George Hill Jr., dean of the United Theological Seminary in Detroit, and claims a membership of about 40.

Prior to Tuesday's meeting, the Rev. Hill said, "We feel that the club has had ample opportunity and time to hire colored ballplayers."

Eastern League

By THE ASSOCIATED PRESS

All four games of the Eastern League schedule were rained out last night for the second night in a row.

In games tonight, two pitchers are slated to start their first games of the season as Binghamton tries to widen its northern division lead.

Don Thompson of Binghamton was listed to oppose Lancaster's Gordon Seyfried 1-0 in the first game of a doubleheader at Binghamton. In the second game, Duke Addis was named to meet either Dick Walter 0-1 or Tom Sharkey 0-0.

Other teams will play single games, and Albany and Reading will make up lost time with a doubleheader tomorrow.

Tonight's games: Lancaster at Binghamton 2; Allentown at Williamsport; Albany at Reading; Springfield at York.

NEW VANGUARD WILL BE LARGER

CAPE CANAVERAL, Fla. (AP)—Navy scientists forged ahead with plans for a bigger and better Vanguard rocket program today after learning that the latest launching was washed out by wire trouble.

Officials announced in Washington that the 7-foot rocket failed about 300 miles up when a malfunction developed in the electronic system of the second stage.

As a result, the rocket's third stage did not ignite after what appeared to be a successful launching Monday night. Instead of pushing the fourth U.S. satellite into orbit, Vanguard plummeted about 1,500 miles out to sea.

"Brain" Didn't Bleep
From telemetry data obtained during the flight, the Naval Research Laboratory learned that the rocket and its 20-inch spherical satellite fizzled because the "brain" in the second stage vehicle never beeped a signal to spark the final stage solid fuel propellant.

Officials speculated that an open wire somewhere within the complex structure of the second stage was the culprit.

The news assured project heads that the basic Vanguard workings behaved according to plan and that the Navy can go ahead with its stepped-up test program.

The new mission will be to launch a satellite in space — perhaps one a month in the immediate future. During the first seven Vanguard experiments the primary purpose was to test the rocket itself, not to orbit a man-made moon.

BEVERLY HILLS, Calif. (AP)—The Rt. Rev. Msgr. Patrick J. Concannon, 63, died Tuesday of a heart attack at the altar of the Church of the Shepherd. He had been friend, confidante and father confessor to hundreds of movie stars in Beverly Hills and Hollywood. He was born in Milwaukie, County Galway, Ireland.

4-YEAR PLAYER DRAFT READED

CHICAGO (AP)—Baseball's new four-year player draft was put into formal language Tuesday by a committee of six men including Commissioner Ford Frick.

The new rule, originally adopted at Colorado Springs last December, permits a major league team to draft any number of players with four years experience from minor league clubs at \$25,000 per man.

Previously, only one player could be drafted by a major club from a minor league team at the price of \$10,000.

Rule Effective In December
Object of the new regulation is to discourage the keeping of potential major leaguers in the minor leagues. The rule becomes effective with the next player draft in December.

If a major league club returns a drafted player to the minor league club, it receives a return of only \$12,500.

Others attending the meeting were Warren Giles, president of the National League; Will Harbridge, president of the American League; George Trautman, head of the minor leagues; Trautman's assistant, Phil Piton, and Charles Segar, secretary-treasurer of baseball.

COMPENSATION RULING
HARRISBURG (AP)—The State Employment Security Bureau said yesterday a recent State Superior Court decision prohibits payment of unemployment compensation to workers who retire under a union contract.

It said the recent ruling considers such an employee to have retired voluntarily and therefore to be ineligible for jobless benefits.

Mountaineer Track Team Defeats Towson; Murphy Gains Two Firsts, Second

Mt. St. Mary's track team defeated Towson State 66½-40½ in a dual meet at Towson Tuesday which was curtailed by a sudden rain storm, the 220-yard low hurdles being eliminated and the two-mile run cut to 1½ miles.

Jim Murphy was the top performer for the Mountaineers, winning the 440 and 880-yard runs and placing second in the pole vault.

Luke Fannon of the Mount and Jim Miller of Towson set a new Towson track mark when they tied for first place in the high jump on leaps of six feet.

On Thursday the Mount meets Western Maryland at Westminster in another dual affair.

GIANTS LOSE LEAD IN NL

SAN FRANCISCO (AP)—The Philadelphia Phillies still spell big trouble for the Giants.

The Phils frequently made life miserable for the Giants in their old home at the Polo Grounds. Tuesday, in the first Giant-Phil game since the team moved to San Francisco, the visitors bounced the Giants out of first place in the National League 7-4.

As disappointing as the score was the attendance, 6,801, lowest since the Giants opened here. In nine previous contests the average was 18,522.

Philadelphia left-hander Curt Simmons found the winds off the Pacific "both a blessing and a handicap" as he tossed his first victory of the season against three setbacks.

EAST ALL-STARS TROUNCE WEST

DENVER (AP)—The East All-Stars stormed from 23 points behind Tuesday night and turned back the West All-Stars 127-120 in a National Basketball Assn. exhibition game.

The victory gave the East a 9-7 edge in the current cross-country tour. A crowd of 3,500 watched the fancy exhibition of floor play and sharpshooting.

Both teams had six players in double figures. The game's high scorer was Clyde Lovellette, the 27-9, 235-pound former Kansas University ace, who collected 27 points for the losing West team. Richie Guerin poured in 24 points for the East.

EXPECT CROWD TO SEE KEGLERS

SYRACUSE, N.Y. (AP)—A capacity crowd is expected today at the American Bowling Congress as the St. Louis Budweisers attempt to wrench the leadership of the ABC open team division from its arch rival, the St. Louis Cardinals.

Blue Ridge Summit and Cashtown have rescheduled their Pen-Mar League game at Cashtown for next Tuesday. No dates have been set for the games involving Littlestown at Taneytown, and Union Bridge at Fairfield.

Gettysburg High is listed to meet Hanover this afternoon at 3:30 in its makeup affair.

Three Adams County Scholastic games were also postponed. Today New Oxford will play at Fairfield. Littlestown will journey to Big Spring next Wednesday to make up its game while no date has been set for the Boiling Springs-Bermudian game at East Berlin.

MARTINEZ PLANS TUNE-UP BOUT

BOSTON (AP)—Vince Martinez plans at least one tune-up bout before his scheduled 15-round showdown with Virgil Atkins June 6 in St. Louis for the welterweight title vacated by Carmen Basilio.

Martinez, idle since his triumph over Gil Turner, in the elimination series many weeks ago, was signed by matchmaker Sam Silverman Tuesday for a 10-round bout with Armand Savoie of Montreal next Tuesday at Mechanics Building.

In his last Boston appearance in June, 1956, the Patterson, N. J., boxer was outpointed by Tony De Marco, the former welter champion then ranked the top contender.

Savoie, who was kayoed a few years ago in attempting to win the lightweight title from then champion Jimmy Carter, recently lost a split decision to middleweight Joe Devlin in Boston.

BOWDRY TRIES FOR 22ND WIN

CHICAGO (AP)—A young kayo specialist, 118 lb. heavyweight Jesse Bowdry, 20, St. Louis, tries for his 22nd victory in 24 pro starts against seasoned Clarence Hinnant, Washington, D.C., in a Chicago stadium 10-rounder tonight.

Bowdry, making his TV debut, has scored 18 knockouts since he turned pro 2½ years ago.

Both his defeats were by Sonny Ray, the last by a knockout in July. Since then, Bowdry scored four consecutive knockout victories. Hinnant, 25, eighth-ranked by the National Boxing Assn., packs a knockout punch too. He has scored 20 kayoes in 25 victories against 11 defeats and a draw. ABC will telecast at 9 p.m. EST.

Italy has a population of approximately 46 million people.

WALLS TOPS 1957 RECORD

CHICAGO (AP)—Lee Walls has hit seven homers so far this season—one more than his entire 1957 production.

And if you don't think he's proud of them, watch him fume if he is reminded two were of the Chinese variety over the Great Wall in Los Angeles Coliseum.

The 25-year-old Chicago Cub outfielder Tuesday slammed two real ones off Warren Spahn of the Milwaukee Braves.

"Everyone is talking about that screen (in the Coliseum) and I'm getting sick of hearing it," he said. "They are homers in the box score and that's where they count. Every other player in the league will have a chance to do the same thing out there. They don't talk about singles that plop off the screen. But they think it's a big joke when somebody homers over it."

Walls came to the Cubs from Pittsburgh on May 1 last year with Dale Long in exchange for Dee Fondy and Gene Baker.

MAJOR LEAGUE STARS

By THE ASSOCIATED PRESS
Pitching—Bob Friend, Pirates, gave up only four hits, struck out five and walked but two for third victory in 7-1 decision over Dodgers.

Hitting—Bill Skowron, Yankees, drove in first three runs with a pair of homers for a 3-for-3 day in 5-1 victory over Tigers.

MUSIAL BATS .551

CINCINNATI (AP)—Stan Musial is leading the majors in batting with a phenomenal .551 average. He had three hits in four tries in Tuesday night's game against the Redlegs and now needs only 16 hits to boost his lifetime total to 3,000.

The St. Louis star has hit safely in all 12 of the Cards' games.

BOB FRIEND IS NOT AFRAID OF HOMER FENCE

LOS ANGELES (AP)—To the modest list of pitchers not petrified by the off-kilter dimensions of Memorial Coliseum, add the name of Robert Friend of the Pittsburgh Pirates.

"I think Ebbets Field was a lot tougher place to pitch," the 27-year-old exponent of control and curveballs said Tuesday night after nearly suffocating the Dodgers with an elegant four-hitter.

It was the finest pitching performance yet seen in the brief baseball history of the Coliseum, and Friend's colleagues mounted an ill-hit drive to help him dispose of the Dodgers 7-1.

A large sampling of the nation's baseball writers has declared in an Associated Press poll that any home run records set at the Coliseum should go unrecognized because of the paltry 250 feet between home plate and the left-field foul pole. Thirty homers have been hit in the first 10 games here, more than half of them over the 42-foot-high left-field screen that has been ridiculed as another "Great Wall of China" because of its vulnerability to the Chinese homer.

But Friend, unbeaten in his first three decisions this year, suggests that the arena may not become a sacrificial altar for National League pitchers. One of his reasons: The vast proportions of right field.

"Why, look at those two balls Robb Walker hit out there," he said, referring to a couple of 420-foot pokes that plopped in an outfielder's glove for outs. "Both of them would have been home runs at Ebbets Field."

X-Country Meet Will Be In Omaha

KANSAS CITY (AP)—The National Assn. of Intercollegiate Athletics announced today its third annual cross country meet will be held at Omaha University Nov. 29.

Ernie Gorr, Omaha track and cross country coach, will direct the meet for the second year. A clinic in cross country is scheduled for the night preceding the meet.

Other NAIA dates include two play-off games preceding the annual football bowl game of the association, Dec. 6; the NAIA football Holiday Bowl at St. Petersburg, Fla., Dec. 20, and the 21st annual NAIA basketball tournament in Kansas City, March 9-14.

Sites of the football play-off games have not been set.

All County Boys Made Eligible For Big League

Eligibility in the local Big League for boys 16 to 19 years of age has been thrown open to include all boys in Adams County it was revealed today by Johnny Toggas, acting recreation director.

The decision was made in order that the four teams which will form the league this season will be able to fill their rosters.

A number of players are needed. Anyone interested in playing is requested to send a card as soon as possible to Mr. Toggas at the Recreation office at Gettysburg High School, including the candidate's name, address and waist measure.

OLD WILLIE PEP DEFEATS YOUTH

BOSTON (AP)—Wee Willie Pep, former king of the featherweights who refuses to quit to age, today planned a brief rest before taking on the next youthful boxer who thinks he is ready for the old master.

"I just want a couple of weeks off and then I'll be ready for any other fellow who thinks he can knock off old Willie," the 35-year-old battler from Hartford, Conn., said.

Pep once again has too much to let youth have its sling as he earned a 10-round unanimous decision over previously unbeaten Jimmy Kelley of Lowell before 4,191 Tuesday night at Mechanics Building.

Blocks Charges
Willie displayed an assortment of punches in holding off bull-kick charges to end the 19-year-old Kelley's 15-bout undefeated streak.

Kelley, bleeding from a cut above his left eye and the nose from the first round, tried gamely until the final bell, but couldn't catch the elusive Pep.

The victory was No. 13 for Pep who turned pro back in 1940 when Kelley was a child in his native Greece.

Pep, who weighed 192½, to 132 for Kelley, was credited with every round by Judge Jim Carrig, 100-90. Referee Jim McCarron scored it 100-91, while Judge Joe Santapio had Willie in front 99-93.

The bout was not televised or broadcast.

CLINTON, N. Y. (AP)—Pancho Gonzales boasts 37 games to Lew Hoad's 31 in their professional tennis tour after Pancho rallied to defeat the Australian 2-6, 6-3 and 6-1 Tuesday night.

Tony Trabert beat Pancho Segura 8-4 in a one-set match that widened his margin in their series to 27-24.

In the doubles, Trabert and Hoad gained a hard-fought victory over Gonzales and Segura, 8-6.

TIM TAM AND SILKY SULLIVAN DERBY CHOICES

By ORLO ROBERTSON
LOUISVILLE, Ky. (AP)—The steadily improving Tim Tam and the sensational stretch running Silky Sullivan, were quoted as co-favorites at 5-2 today as the second richest Kentucky Derby in history loomed with 19 finely tuned 3-year-olds listed as probable starters.

As of now, the largest field since Count Turf turned back 19 rivals in 1951 is in prospect.

Based on a field of 19, the 84th running of America's most glamorous turf classic will gross \$167,500, a figure exceeded only by the \$167,550 of 1956, when Needles took home the major share of the purse.

Expect 100,000
The track condition will have a large say on how many parade to the post for the 4:30 p.m. start at Churchill Downs.

After days of rain, the weatherman today forecast somewhat cooler temperatures and a drying wind. With no more rain the track for the 1¼ mile race could be fast by Saturday.

A crowd of 100,000 is expected.

Three In Spotlight
Three horses commanded major attention today as the vanguard of the festive-minded crowd moved into this Ohio River city.

They are Tim Tam, a royally bred son of Tom Fool from the fabulous Calumet Farm of Mrs. Gene Markey; Silky Sullivan, the flaming California chestnut who has caught the fancy of the public as few horses have since Man O'War; and Jewel's Reward, champion money winning 2-year-old of 1957 who heads the three-horse entry from Mrs. Elizabeth N. Graham's Maine Chance Farm.

Silky Sullivan is owned by Tom Ross and Phil Klippstein, newcomers to America's premier horse race.

Flamingo Third

Tim Tam, winner of only \$275 last year but victorious in the \$100,000 Flamingo and Florida Derby this year, won the Trial Stakes Tuesday under 23-year-old Ismael Valenzuela.

The Texas-born Mexican was called on to ride the Calumet ace after Bill Hartack broke a leg last Saturday.

Ebony Pearl, considered third best of Maine Chance's three-horse entry, was second by a neck and C. V. Whitney's Flamingo was third, another 1¼ lengths back as Tim Tam negotiated the muddy trip in 1:39 3/5.

The north wing of the U. S. Capitol in 1800 was occupied by the Senate, the House of Representatives, the Supreme Court and the Library of Congress. The north wing was the only part of the building then completed.

PURKEY BEATS CARDS TO KEEP RECORD CLEAR

By THE ASSOCIATED PRESS

Cincinnati hoped to perk up its pitching when it got Bob Purkey from Pittsburgh last winter, but at the moment Purkey's the only one perkin' on the Redleg staff.

The Redleg corps has accomplished only two complete games and one shutout in 10 decisions so far and Purkey has authored them all, while gaining three of Cincinnati's five victories.

The 28-year-old right-hander, who won more than three in one major league season for the first time last year when he was 11-14 for the last-placed Pirates, stayed unbeaten Tuesday night as Gus Bell's three-run, eight-inning homer beat St. Louis 5-2.

Gave 10 Hits
Purkey gave up 10 hits, but walked none and struck out three while reducing his earned run average to 1.04 for 26 innings.

Pittsburgh's Bob Friend also gained a 3-0 record Tuesday night, throwing a four-hitter that beat Los Angeles 7-1 as the Pirates won their fourth in a row.

The champion Milwaukee Braves took a full share of the National League lead for the first time this season as Warren Spahn also 3-0, rode a nine-hitter for an 8-4 victory over the Chicago Cubs. San Francisco slipped to second, half a game behind, with a 7-4 defeat by Philadelphia.

Gino Cimoli's third homer was the only Dodger run off Friend, who holds both Pirate complete games this season. Carl Erskine lost his first.

Spahn helped himself with three hits, two of 'em doubles, and drove in three runs for the Braves while Ed Mathews made his No. 6 homer good for two runs.

U. S. Cagers Idle After 4 Victories

MOSCOW (AP)—The touring United States amateur basketball teams were idle today after the men's team notched its fourth straight victory on its Russian tour, a 59-41 victory over a Georgian all star team in Tiflis Tuesday.

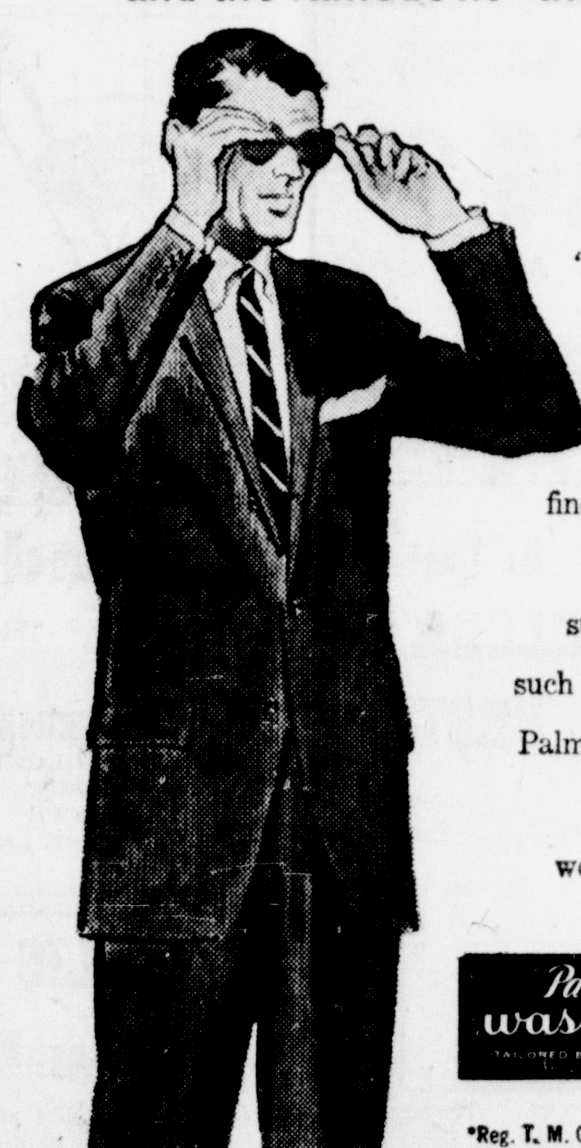

The AAU team will stay here Thursday to watch the huge May day parade, then go to Leningrad for the beginning of a two game series.

The women met with equal success, getting their second win in a row with a 47-34 triumph. They have lost two games.

Burdy Halderson, of Bartlesville, Okla., led the men's team with 18 points, high for the game.

World News In Brief

MOSCOW (AP)—President Nasser flew into Moscow Tuesday for an 18-day state visit that the Kremlin hopes will bind his United Arab Republic still closer to the Soviet Union.

The trip is Nasser's first visit to a major world power.

Nasser and his 15-man delegation arrived in a Soviet TU104 jet liner. He was greeted by an array of Kremlin leaders headed by Premier Nikita Khrushchev.

Before returning to Cairo, he is expected to sign a joint declaration of solidarity which may spell out any political, economic and cultural agreements the two nations reach.

LONDON (AP)—John A. MacQueen, 45, was fined 2 pounds—\$3.00—Monday for turning a hose on a basement rock 'n' roll party in the house next door.

HAVANA (AP)—Fighting continued in Cuba's rebellious Oriente province Monday night as government forces engaged an insurgent band in the Jotura sector, killing eight. The Army said three loyalists were wounded in the clash.

An army communiqué said the main group of rebel leader Fidel Castro's force in the Sierra Maestra range has little chance of breaking through the encircling forces of President Fulgencio Batista.

Dispatches from Oriente said rebels clashed earlier Monday with troops in five villages north-east of Santiago. No casualty figures were given.

SINGAPORE (AP)—Indonesia's rebels Tuesday claimed widespread air strikes against President Sukarno's forces on the eastern end of the island chain. They claimed capture of a World War II air base in an amphibious landing.

The sudden upsurge of activity at the opposite end of the archipelago from Sumatra—hitherto the focal point of the rebellion—posed for Sukarno the problem of

fighting on two fronts 1,800 or more miles apart.

Capture of the air base marked the first major rebel victory since Sukarno's central government took the offensive on Sumatra two months ago.

TOKYO (AP)—A lawyer announced Tuesday he stole the ashes of seven Japanese major war criminals hanged in 1948. He is bringing them out of hiding to put them in a tomb to be inscribed: "Tomb of seven Samurai who died for the nation."

Shohei Samunji, one of the two Japanese lawyers who defended GI William G. Girard in his Japanese manslaughter trial last year, made his disclosure at a party for other major war criminals whose life sentences were recently reduced to the 10 years they had served.

Among the ashes are those of wartime premier Hideki Tojo. Allied occupation chiefs ordered their ashes withheld from the Japanese to keep them from becoming an object of veneration by the militarist clique blamed for the war.

LONDON (AP)—Crime among Britain's teen-agers is threatening to get out of hand.

Lord Mancroft, a government spokesman, told Parliament the position may become almost unmanageable within a few years unless "the flood of angry young men" into the prisons and reformatories is halted.

He spoke in a debate on prisons crowded with a record number of inmates.

COLOMBO, Ceylon (AP)—All early morning suburban trains in Colombo were cancelled Tuesday as railway bombings continued in the 6-day-old strike of some 37,000 Ceylonese civil servants.

The Communist-dominated workers' federation called the strike last Wednesday in an effort to win political rights now de-

SEEK TO OUST UNION MONITOR

WASHINGTON (AP)—A petition asking the removal of Godfrey P. Schmidt as a monitor of the Teamsters Union, has been filed in U.S. District Court.

John Cunningham of New York, who served as chairman of a Teamsters' rank-and-file committee which sued to bar James R. Hoffa from the union presidency, filed the petition.

Cunningham said Schmidt, a New York attorney, "serves three masters—the plaintiffs, the court, and his own interests."

The papers on file said Schmidt did not consult with Cunningham before asking a \$350,000 fee for himself and two other attorneys who represented the rank-and-file committee.

The suit to bar Hoffa was terminated in January under a compromise agreement which allowed Hoffa to take over as president of the Teamsters. One section of the agreement provided for a three-member panel of monitors to watch over union affairs.

Schmidt was nominated by the rank-and-file committee. Nathan Cayton, former chief judge of the Municipal Court of Appeals here, became the chairman or neutral member. The Teamsters nominated L. N. D. Wells as the third monitor.

FARM PRICES UP 7 PER CENT

WASHINGTON (AP)—The Agriculture Department reported Tuesday that retail prices of farm-produced food averaged 7 per cent higher in the first quarter of this year than in the same period of 1957.

The agency traced most of this increase to the farm. That is, it said advances in prices received by farmers accounted for 70 per cent of the increase and marketing charges for 30 per cent.

Higher prices for meat animals accounted for more than half the rise in retail and farm prices. Marketings of meat animals were down from a year ago. Prices of fresh vegetables and citrus fruits rose sharply during the winter, mainly because of unfavorable weather.

The department said marketing charges rose because operating costs of food marketing firms increased. It said wages, transportation costs, and prices of many things such firms buy went up.

The farmer's share of the consumer food dollar was said to have been 41 cents in the first quarter of this year compared with 39 cents a year earlier and with the 1957 average of 40 cents.

nied civil servants, and lower costs of living.

VALLETTA, Malta (AP)—Maltese workers returned to their jobs Tuesday after a 24-hour strike. One report said 45 policemen were injured in Monday's disturbances and at least 15 arrests were made.

STOCKHOLM (AP)—An audience of 3,500 stared horrified Monday as Pinito del Oro, world-famed trapeze artist, plunged to the ground during a performance. She suffered a skull fracture and other severe injuries, but doctors said she would live.

The 37-year-old performer had planned to retire from the big top after this tour.

After 78 Fractures

Six-year-old Charlotte Valenti plays with doll in Los Angeles Children's Hospital in bed where she spent a great part of her short life. The little girl has had 78 bone fractures and is making her 14th visit to the hospital. She suffers from a congenital brittleness of the bones. Her first fracture was when she was two days old. Pennsylvania's 1958 elections are viewed by Gov. Leader as a choice between "government which sits on its hands and does as little as possible" and "government which faces human problems and tries to solve them."

He offered that description Monday night in what was described as his first "full-scale" campaign address. Leader, who is the Democratic organization choice for the U. S. Senate in the May 20 primary campaign, appeared on a half-hour television program over a Pittsburgh station (KDKA-TV).

He gave his view of what he feels are accomplishments of his administration: more schools, more parks and recreational facilities, more roads, more jobs. The talk emphasized his administration's policies in the field of mental health and he accused the Republican controlled Legislature of giving him a "shoe-string budget" to work with on mental health problems.

Livengood Blames Bloom

The Democratic organization candidates did not campaign today.

Arthur T. McGonigle, GOP organization choice for governor, campaigned through Huntingdon, Fulton and Franklin counties, accompanied by his running mate, William S. Livengood Jr., independent GOP candidate for governor, lined up support in Cambria County, while Harold E. Stassen gave his attention to Montgomery County.

In speeches on Monday, McGonigle promised that he would see to it that Pennsylvania's education program is "based on what goes on inside our beautiful classrooms, not on the buildings" if he is elected. McGonigle spoke at a rally in State College after campaigning earlier in the day in Clearfield County.

More Campaigning

Livengood told a group of Butler County Republicans that "Pennsylv-

vania voters are leaving the Republican party. He blamed state GOP chairman George I. Bloom. Livengood said that if he is elected he will concentrate on a solution to the problems of the aging worker.

Pittsburgh Mayor David L. Lawrence, Leader's running mate for governor, said at a Somerset County rally that under the Leader administration the State Legislature has passed more beneficial and enduring measures for the farmers of Pennsylvania than had been passed for many years.

Lt. Gov. Roy E. Furman, who is independently seeking the Democratic gubernatorial nomination, issued a statement in Harrisburg describing Leader as a "vengeful, petty man with an inordinate appetite for hateful reprisals against anyone who crosses him."

Clarence P. Bowers, Reading industrialist who is opposing Leader for the senatorial nomination on a "pathological faker." "The governor's industrial development program, like most of the sunshine promises originating in the front office, has not been effective enough to offset record-breaking unemployment in this state," Bowers declared.

GIVES ADVICE ON HAY PESTS

Ways of controlling the spittlebug and the alfalfa weevil in this area were reviewed today by Frank Zettle, county farm agent.

Zettle said: "Each year serious damage in our forage crop is caused by two insects, the spittlebug which gets in all hay crops, and the alfalfa weevil which is found only in alfalfa. Timing the spray against these pests is important. Spittlebugs have been hatching all over the county in the past week and have begun to feed on our crops, therefore it is necessary to spray as soon as possible to get satisfactory control."

"Farmers are urged to spray clover, birdsfoot trefoil and fields immediately. Alfalfa fields should be sprayed toward the end of the week," Zettle said.

Given Spray Directions

Zettle said the best chemical for both insects is Heptachlor, used at a rate of one quart per acre. Zettle stressed the importance of thorough coverage.

"Farmers using the weed-type sprayer should attempt to apply 20 to 30 gallons of spray per acre using 40 to 80 pounds of pressure. When using the high-pressure sprayer, 50 to 100 gallons of spray per acre with 200 pounds pressure would be sufficient. If weed killed had been used in the sprayer earlier, it must be thoroughly cleaned before using Heptachlor," Zettle explained.

"An easy way of doing this is to use household ammonia, one quart of ammonia, to 50 gallons of water. Run one half the mixture through the sprayer, let the remainder in the sprayer overnight, and remove it the next morning. If pastures have been sprayed, livestock should be kept out of them for 10 days," Zettle added.

Michigan State swimming star Les Lobaugh and Spartan basketball captain Jack Quiggle both are graduates of South Bend Central High School.

DEATHS

By THE ASSOCIATED PRESS

NEW YORK (AP)—Mrs. May Lambertson Becker, 84, author, lecturer and Dickens authority, died Monday in Epson, Surrey, England. Mrs. Becker, who was born in New York, for many years was editor of the Readers' Guide and Books for Young People sections in the New York Herald Tribune.

PHOENIX, Ariz. (AP)—Dr. George Willard Frasier, 67, president emeritus of Colorado State College and a lecturer in education at Stanford University, died Monday. He served as president of Colorado State from 1924 to 1948.

CARTHAGE, Ill. (AP)—Prof. Elmer T. R. Hanke, 57, director of music at Carthage College since 1923, died Sunday of a blood clot. He founded the college's a cappella choir 32 years ago and until this season directed its annual tour.

JACKSONVILLE, Fla. (AP)—Maj. Gen. Hanson Edward Ely, 90, retired Army officer whose regiment won the first battle in which American troops fought during World War I, died Monday. Ely, who was born in Mason City, Iowa, graduated from West Point in 1891.

MONTEVIDEO, Uruguay (AP)—Lester S. Dame, 57, member of the U. S. technical aid mission to Argentina, died Monday of a cerebral hemorrhage. He had come to Montevideo to help prepare for Vice President Nixon's visit later this week to Argentina. He was born in Minnesota and had rotated between private business and government service since 1931.

FINED \$50 FOR BEING CURIOUS

PITTSBURGH (AP)—Two boiler-makers who said they climbed the 847-foot transmitter tower of Television Station WHIO to determine how much it swayed were fined \$50 apiece Tuesday.

Magistrate E. N. Johnson also ordered the pair held for court action on charges of malicious mischief. The fines were for disorderly conduct.

The men were William Briggs, 27, and his brother-in-law, Paul Schriver, 26, both of Pittsburgh.

Mrs. Schriver, 28, was not fined. She climbed about 50 feet up the tower but insisted she did so only in an effort to persuade the pair to return to earth.

Hundreds of persons watched the perilous climb and the equally perilous descent last Saturday. The station was off the air for 24 minutes because its engineers shut off power, fearing the men might be electrocuted or burned by high tension wires.

Mix a half cup of instant chocolate flavored beverage mix with a quart of milk, cover and refrigerate. Nice to have on hand for small-try after-school snacks.

YOUNGEST ARMY GENERAL HEADS PARATROOPERS

By GAVIN SCOTT
FT. CAMPBELL, Ky. (AP)—The Army's youngest two-star general is a man with a single-minded determination—to have his paratroopers ready to fight anywhere at any time.

"Our middle name is readiness," Maj. Gen. W. C. Westmoreland says, and his quiet voice gives no hint of boasting. At 44, he commands the nation's first division specially organized for atomic war, the 101st Airborne Fentomic Division.

He took over the famed "Screaming Eagles" just two weeks before Wednesday's tragedy when five paratroopers were killed and 155 were injured in a mass jump here. The victims were whipped off the drop zone by sudden wind gusts.

2-Week Operation
The accident occurred during a two-week operation designed to test the ability of an airborne division to disengage from battle, repair its equipment, redeploy and attack at a distant point within a week.

Westmoreland is a handsome, muscular West Pointer, with a receding hairline and a touch of gray about the temples. Standing just over six feet, he talks with a soft-spoken drawl. He likes skeet shooting and shoots golf in the 80s and 90s.

He appears quiet and relaxed, even after a test jump to determine if conditions are too dangerous for his men to follow. He took such a jump Monday when a larger mass drop was scheduled.

Tested Conditions
"I jumped just to assure myself that conditions were safe," he said. "They were marginal and the drop was canceled."

Westmoreland speaks with conviction when he discusses the mission of airborne troops. He didn't make the first of his 71 jumps until 1946, although he became interested in paratroopers when the first unit was formed in 1941.

The son of Mr. and Mrs. J. R. Westmoreland of Columbia, S.C., he attended The Citadel for a year before being appointed to the U. S. Military Academy in 1932.

As to the role of paratroopers in the dawning rocket age, he is most optimistic. Future wars, he believes, will be either atomic—which would be national disaster—or nibbling aggression.

Says Recession Has Passed Worst Phase

BONN, Germany (AP)—President Eisenhower's administrative assistant for economic affairs said Tuesday the U. S. economy should be on the upgrade by "some time in the autumn."

Gabriel Hauge, visiting West Germany, told a Bonn news conference the U. S. recession he called it "a minor fluctuation in economic conditions"—has passed its most severe phase and is leveling off.

But, he added, "the evidence would seem to suggest that we still have a little farther to go."

Is Denied Bail Pending Appeal

PHILADELPHIA (AP)—Nanjo Singh, 49, has been denied bail pending an appeal for a new trial on his conviction of fatally beating his wife, Betty, 37.

Singh, a former wrestler who operates a Northeast Philadelphia taproom, was convicted last week of second degree murder, and voluntary and involuntary manslaughter.

Common Pleas Judge Earl Chudoff denied bail on Monday with the statement that if "anything happened it would be on the court's conscience."

Singh, while on bail prior to his trial, was arrested for allegedly threatening a prosecution witness.

BISHOP OPENS CLOSED CHURCH

NEW YORK (AP)—The Rt. Rev. James P. DeWolfe, bishop of Long Island, has ordered the Protestant Episcopal Church of the Holy Trinity, Brooklyn, reopened for religious services next Sunday.

The strife-torn church has been closed by the bishop since last July pending legal and ecclesiastical battles over the ouster of the Rev. William Howard Melish as rector and the validity of the Rev. Dr. Herman S. Sidener's election as his replacement.

The bishop closed the church after a series of clashes between pro-Melish and anti-Melish parishioners.

The Appellate Division of the State Supreme Court in Brooklyn reserved decision Monday on the plea of the Rev. Mr. Melish's father, the Rev. Dr. John Howard Melish, to retain his residence in the church's rectory.

Dr. Melish, 83, rector emeritus, was removed as rector a decade ago for supporting the alleged left-wing activities of his son, who was his assistant rector.

Finds \$1,000 In A Television Set

COLUMBUS, Ohio (AP)—Something was sticking out from under the table-model TV set at his house here and 6-year-old Michael Gray saw it.

He got out a pair of scissors and started prying.

His find was 10 \$100 bills and 6 of them are still missing.

Michael's grandmother, Mrs. Anna B. Gray, 59, told police her son, a hospitalized veteran of Korea, had hidden the 10 bills and no one in the family knew where they were until Michael's discovery.

One bill was found in Michael's possession and three others he gave to a friend. When grandma learned of the giveaway, she called police.

The port was shut down last week by the employers after a dispute with the International Longshoremen's Assn.

Pearl Pollard, 6-foot-10 University of Utah basketball player, is thinking about becoming a professional boxer after graduation.

CHILDREN FACE MENTAL STRESS

LOS ANGELES (AP)—Schizophrenia, the mental disease of split personality, can begin to show in children only 3 or 4 months old, and preliminary treatment can be started through the parents, a Los Angeles psychiatrist said Tuesday.

The earliest outward symptoms, he said, are a kind of withdrawal from contact with others and a tendency to fly into tantrums if his fixed pattern of playing is disturbed.

Treatment at this stage calls for re-education of both mother and child, he added. The mother needs to be shown how to give attention and affection and the child has to be made receptive to the parental efforts.

This method was described in a paper before the California Medical Assn. by Dr. Edward G. Colbert of the Neuropsychiatric Institute of the University of California at Los Angeles.

In some instances placement of the child outside the home is advisable, he added, and treatment sometimes requires several years.

FAUBUS TURNS TO HIGH COURT

LITTLE ROCK, Ark. (AP)—Gov. Orval Faubus plans to appeal to the U. S. Supreme Court for legal support of his move blocking integration at Little Rock Central High School last fall by use of Arkansas National Guard troops.

The 8th U. S. Circuit Court of Appeals at St. Louis Monday upheld a U. S. District Court decree prohibiting Faubus from using troops to interfere with a court-ordered integration plan.

Tom Harper, an attorney for the governor, said the next step was an appeal to the U. S. Supreme Court.

Dist. Judge Ronald N. Davies, then sitting on temporary assignment in Arkansas, issued the injunction Sept. 20, after Faubus' soldiers had blocked entry of nine Negroes for 18 days.

Faubus immediately withdrew the soldiers and Central High finally was integrated Sept. 25 under guard of U. S. Army paratroopers.

Eight Negroes still attend the school under protection of a token force of federalized guardsmen.

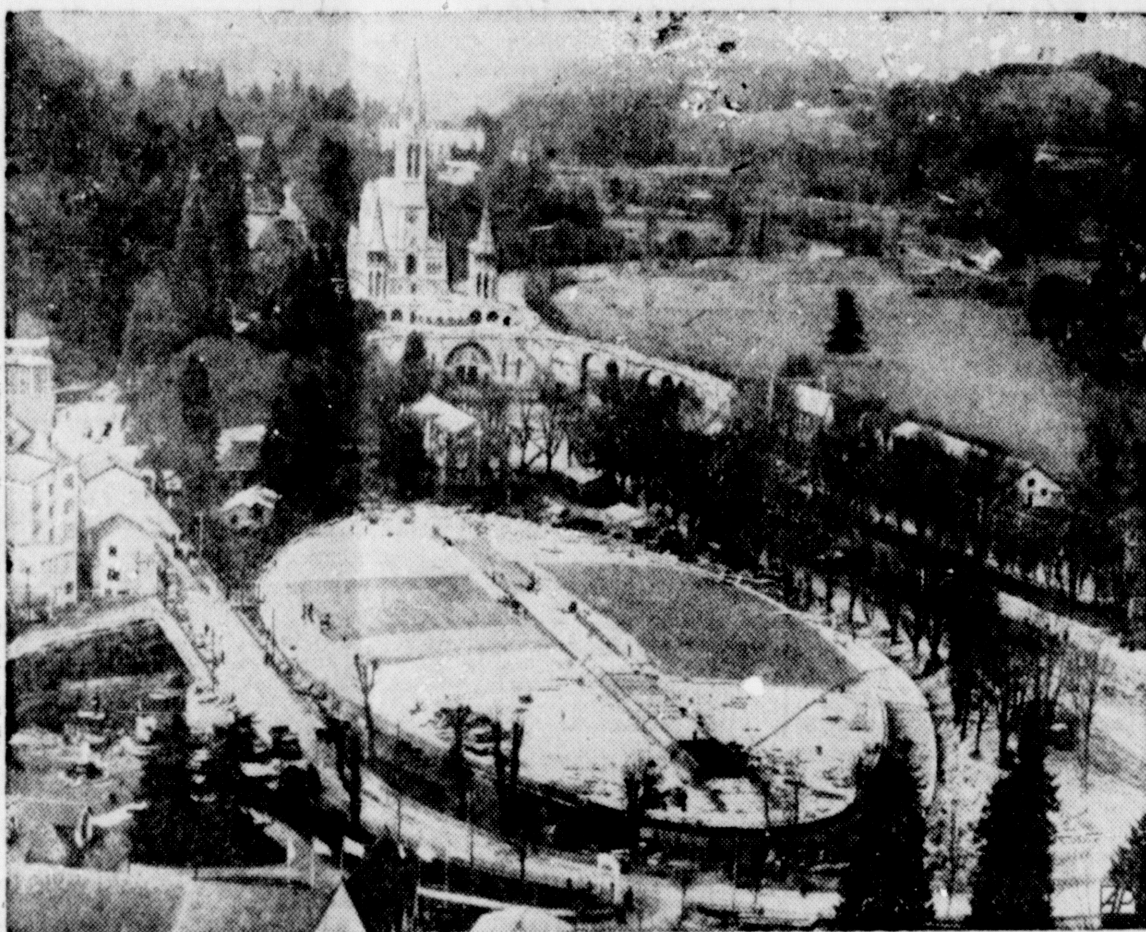

Man's Body Hooked By N. Y. Fisherman

ELMIRA, N. Y. (AP)—The body of William Kingston, 50, was found in the Chemung River Monday night by a fisherman who hooked it while fishing from the bank.

County Coroner M. Eugene Pittman said the body had been in the water about a month. He issued a certificate of accidental death by drowning.

Police said Kingston had worked at odd jobs in Elmira and Athens, Pa. They said he had no permanent address and no known relatives.

They said they did not know how or where he entered the water. The body was found by Thomas Price, who was fishing just south of this city.

SAYS FEELING STRONG AGAINST LEADER'S PLAN

HARRISBURG (AP)—Rep. W. Mack Guthrie (R-Armstrong) cast doubt today on the success of a Leader administration proposal for the periodic re-examination of all motorists.

Guthrie, chairman of a task force of the Legislature's Joint State Government Commission studying revision of the motor vehicle code, said there was "too much sentiment" against the idea.

O. D. Shipley, director of the state Highway Safety Bureau, made the proposal at a public hearing Monday. He specified no time but he is on record as favoring that all motorists be tested every five years on their capacity to drive an automobile.

"This idea puts too much power in the hands of one man," Guthrie told The Associated Press. "It might work all right with one administrator but another would use those powers unfairly."

In addition, Guthrie said, the financial burden of re-examinations would be almost prohibitive.

There are more than four million licensed motorists in Pennsylvania, Guthrie said, and the proposal would mean that 750,000 to 800,000 of them would have to be re-examined every year.

Guthrie said the task force would meet again after the May 20 primary election to go into controversial questions of the motor vehicle code.

Copilot Saves Officer's Life By "Impossible" Landing Feat

ABILENE, Tex. (AP)—A young Air Force copilot, his B47 jet bomber afire and the top canopy blown off, braved subzero weather and wind that seared his eyeballs to land the plane here Monday night rather than abandon a fellow officer.

First Lt. James E. Obenauf, 24, Grayslake, Ill., made a perfect landing while flying from the blind copilot's seat, something the Strategic Air Command said had been considered impossible because he is behind a solid bulkhead and cannot see forward.

The B47 was in a training flight from Amarillo to Denver. At 30,000 feet, near Dalhart, Tex., one of its six jet engines caught fire.

Two Bailed Out.
First Lt. John P. Cobb, 25, Elko, Nev., navigator, bailed out through the escape hatch.

Maj. James M. Graves, 38, Fort Worth, the pilot, blasted off the top canopy. His ejection seat did not work and he bailed out through the nose escape hatch.

Obenauf's ejection seat also failed to work. On his way to the nose he discovered Maj. James E. Maxwell, 32, Portsmouth, Va., navigation instructor, unconscious and his oxygen mask off.

Unable to get Maxwell through the hatch, Obenauf returned to his copilot's position. The controls there were the only ones working.

There he was flying blind with the wind whipping through the cabin at 400 miles an hour. Ground control stations gave him his position and permission to fly 300 miles to Dyess Air Force Base here, his home base. He made a perfect landing.

He and Maxwell were hospitalized for shock, frost bite and burning eyes. Their condition was reported good.

Graves and Cobb landed on ranches near Dalhart. They suffered bruises.

PILOT TRIED TO PREVENT CRASH

LAS VEGAS, Nev. (AP)—The pilot of a jet fighter which collided April 21 with a big airliner made a frantic effort to bank clear and almost made it.

A few yards more and the jet would have skimmed past the United Air Lines DC7, Civil Aeronautics Board investigators said. The wreckage of the planes showed that the jet slashed into the wingtip of the liner.

It sheared off about eight feet of the DC7's right wing—enough to send it spinning into the desert out of control. Part of the jet's wing was found inside the transport's wing.

Both pilots of the F100F fighter died, as did 47 passengers and crew aboard the liner.

The fighter was from Nellis Air Force Base near Las Vegas, where the wreckage has been assembled for CAB and Air Force probes.

LONDON (AP)—Current H-bomb tests in the central Pacific may be Britain's last if the United States agrees to pool nuclear secrets, government sources said today.

"Britain and America probably would move toward joint tests in that event," a British Defense Ministry spokesman said.

He stressed, however, that it depends entirely on whether Congress approves President Eisenhower's plan for sharing nuclear information.

Sumatra, a major island in Indonesia, has 12 million citizens. Most are Malay and Moslems.

GETS HEARING THURSDAY FOR TWO SLAYINGS

AMBRIDGE, Pa. (AP)—A 41-year-old Baden, Pa., electrician accused of the ambush slayings of two men faces a hearing tomorrow on murder charges.

Arthur G. Schuck pleaded innocent yesterday to murder charges at an arraignment before Justice of the Peace Paul R. McEriman. Schuck was remanded to Beaver County Jail without bond.

At the arraignment Schuck said he was too drunk to remember what he was doing early Sunday morning when a gunman pumped five rifle bullets into an auto in nearby Economy.

The shots killed William E. Engel, 44, of Ambridge, and Vincent J. Quigley, 34, of Economy, and wounded Engel's fiancée, Angelina Puglione, 33, of Fair Oaks. The murder charges followed a report from state police ballistics laboratories that the bullets were from a rifle found in Schuck's home.

Investigators have established no link between Schuck and the victims.

Dist. Atty. Richard Steward said Schuck was known to have been feuding with a man and his wife who lived near Quigley and may have intended to ambush them.

Here's how police described the ambush:

Engel was driving Quigley home but missed the turn into Quigley's driveway. He drove his car into a driveway about 300 yards from Quigley's home to turn around. Before Engel could back out, five bullets were fired into the car.

Climb On "Dare" Results In Burns

TAUNTON, Mass. (AP)—A 16-year-old boy who climbed a high tension tower on a dare is in critical condition today in a Boston hospital with severe leg burns and shock.

Edward Masterson contacted a 13,000 volt wire as he clambered over the 40-foot steel structure near his home. Doctors said it will be necessary to amputate his legs.

Politics

By THE ASSOCIATED PRESS

Finances claimed the attention of the primary campaign again today.

This time it was Harold E. Stassen's. The Republican organization primary campaign chairman, T. Newell Wood, claimed "Harold's war chest is just about empty."

This was a switch for the organization. In the past it has reported Stassen's campaign chest in the \$500,000 to \$750,000 range.

Now, however, Wood says Stassen's financial backers "are not nearly as generous as originally rumored" and his running mates "can see the handwriting on the wall and are trying to make deals for themselves by offering to cut Harold."

Stassen is running for governor on an anti-organization ticket in the GOP primary.

The organization gubernatorial choice, Arthur T. McGonigle, took his campaign into York County today. Stassen is to speak at Albright College in Reading tonight. William S. Livengood Jr., another GOP independent for governor, scheduled day-long conferences with supporters in Columbia County and environs, topped by a speech in Bloomsburg tonight.

WILKES-BARRE, Pa. (AP)—Pay increases for state policemen would be one of his first objectives if he were elected governor, Lt. Gov. Roy E. Furman said yesterday.

Furman is seeking the Democratic gubernatorial nomination in opposition to Pittsburgh Mayor David L. Lawrence, the organiza-

RECESSION IS UP TO PEOPLE, MARTIN STATES

WASHINGTON (AP)—Sen. Martin (R-Pa.) says it is up to the people more than the government to end the recession.

"No action by the federal government-backed candidate."

He told a political rally: "State police are grossly underpaid for the valiant feats of public service they render year after year."

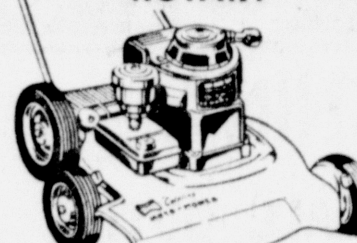

The wages are "extremely low and hardly suitable under today's economic conditions," he declared. Lawrence went to Washington, D. C., today for the congressional breakfast sponsored by the Pennsylvania League of Cities. He plans to discuss federal legislation affecting Pennsylvania along with representatives of 16 other cities with the state's two senators and congressmen.

ernment will bring economic recovery overnight—as many people seem to think," Martin said last night.

"Progress in this country," he said, "depends far more upon what people do for themselves than anything the government does or can do for them."

He spoke to members of the Pennsylvania Chamber of Commerce at their annual Congressional dinner. Twenty-two of Pennsylvania's 29 Congressmen attended.

Favors Tax Cut

In another speech, G. Richard Fryling, president of the chamber, said his organization favors a tax cut and opposes federal aid to education.

And Fred C. Foy, president of

Koppers Co. Inc., Pittsburgh, urged less government regulation of the railroad industry.

"It is not a question of how little or how much regulation is needed, Foy said.

Martin was presented with a scroll honoring him for his service to Pennsylvania as a senator for two terms, former governor, state auditor, state treasurer and state adjutant general.

BLAME DRIVER

ALTOONA, Pa. (AP)—Edward B. Rhodes, 22, of Martinsburg, R. 2, who was driving an auto involved in a fatal collision with a truck, last night was found negligent and careless by a Blair County coroner's jury.

38 HIGH SCHOOL STUDENTS TAKE MERIT EXAMS

Thirty-eight students at Gettysburg High School took the national merit qualifying test Tuesday morning at the local high school. It was announced by Miss Louise Ramer, guidance counselor.

An estimated \$5 million in merit scholarships and other awards are at stake in the national competition, now beginning its fourth year. Some \$12 million in merit scholarships have been awarded in the first three years of the program.

Merit scholarships are provided by some 80 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself, which conducts the competition.

Three-Hour Exam

The national merit scholarship qualifying test is a three-hour measure of educational growth and aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

A group of 10,000 students—composed of the highest scorers in each state—will advance to the semifinals when the results are reported to all participating schools next fall. Semifinalists will then take a second examination. Those who repeat their high performance on the second examination will become finalists in the program and will indicate their choice of college and course of study. Further evaluation of their grades, citizenship and extracurricular achievements will follow, and the winners will be announced in the spring of 1959.

The test results will be available at the beginning of the senior year, in time for use by seniors and their

class advisors. The score may also be used in many high schools to help students make decisions about college and the most appropriate courses to major in. Many students throughout the country who do not expect to win have registered for the test, in order to learn more about their individual strengths and weaknesses.

Following students took the scholarship test: Harvey Bollinger, Louise Bowling, Shirley Chronister, Louise Collins, Roger Craver, Thomas Crist, Rebecca Cullison, Marilyn Culp, Elsie Darrah, Milton Pitz, Evelyn Gaston, Mary Hewetson, Mary Jarvis, Deborah McCullough, Ann McIlhenny, Gary Maitland, Robert Nelson, Robert Plank, Stanley Prosser.

Harold Robert, Jean Robert, Virginia Redding, Joseph Sharrar, Lloyd Shelleman, Frank Skidmore, Jackie Smith, Ronald Sprankle, Ronald Stokes, Pat Timmons, Janice Topper, Nancy Troselle, Charles Vial, Judy Weikert, Sidney Weikert, Audrey Yingling, Robert Znea, Hammond Geyer, Larry Howser.

band and the Lewistown chorus. Parade Marshal will be LeRoy H. Weinbrenner of Commandery 79 of Gettysburg.

General chairman for the event is William R. Swisher, commander of Gettysburg Commandery. Gettysburg knights are chairmen of the various subcommittees as follows: Reception, Paul Legore; marshaling, Howard C. Kitzmiller; transportation, George N. Coshun; public address and seating, Guyon E. Buehler, and refreshments, H. Merle Stultz.

The Pennsylvania Division of the Knights Templar includes commanderies at Gettysburg, Hanover, York and Columbia.

Idaho State College in Pocatello had 54 married students, about 32 per cent of the student body.

RAILROADERS

engine also had a flat car loaded with wood. When the "tank" of the tender ran low in wood, the flat car was put on a siding and the crew refilled the "tank." Weiser recalled that the fireman had to pick up each piece of wood and throw it into the engine.

Water was carried by a crew which followed behind, putting out woods and forest fires started by the sparks belching from the huge stack of the woodburning engine.

Three routes were laid out for the Gettysburg and Harrisburg, Weiser recalled, "and the area that sold the most stock got the railroad. The line is so curved sometimes we wondered if they didn't just see whose land they could get free of charge and then run over it."

"Camelbacks" Later Two "Roger built" engines were used for the passenger runs when the G and H opened for business 75 years ago. A "Laurel" engine was used for freight trains. They could "handle about eight or nine cars," Weiser and Hartzell recalled. Later the "Camelback" engines were adopted and the number of cars that "made up a train" was increased to 14. Early cars carried 16-ton loads, the latest box cars carry up to 30 tons, coal cars up to 70 tons and special cars up to "100 tons or more."

Weiser recalled the "Camelback" engines. "They had a box up over the boiler for the engineer. The fireman worked in back with no protection whatsoever."

"The Good Old Days" Hartzell and Weiser recalled that "in the good old days" a railroad man was paid "by the trip, no matter how long it took. There was no 40-hour week or overtime or anything else." Some early wages were \$1.63 for the average trainman in 1893, while engineers received \$2.20 for the "day." For a "trip," which might last two days or more the payment was \$4.40.

Engineers and crew took care of their own engines including cleaning out the boiler. The G and H had a three-engine round house in the yards where "three or four men could handle an engine around. It was a lot of fun on cold days when ice got into the turntable," Hartzell recalled.

"We gave engines names in those days," Weiser recalled. The first engine coming into Gettysburg on the G and H was the "Jay Cooke," named for the founder of the railroad. The outgoing engine was the "South Mountain."

Drove "Golden Spike" A golden spike was driven "near the red barn" when the railroad was completed in 1884. "But it was later removed."

The Round Top branch was completed also in 1884. Weiser recalled that it was to be part of a projected

WILL RESURFACE PARK AVENUES

The Gettysburg National Park office announced today plans to resurface all of the avenues on the battlefield during the summer.

Samuel G. Sollenberger, assistant superintendent, said bids will be opened at the park office here May 19 at 2 p.m. for resurfacing of 26.89 miles of road, all of the paved highway in the park.

The work will include the road on E. Cavalry field for which the base was laid in the 1930s, but which has never been surfaced with other than fine stone.

The contract will call for the work to be completed in 180 days. Sollenberger added that test drilling is being made by the Buchart Engineering Corporation on the bridge on Reynolds Ave. and that "there is a possibility that the bridge may at some future date be replaced."

extension of the G and H to Washington, meeting the Baltimore and Ohio "this side of the Potomac." The project was well under way, Weiser said, when opposition by other railroads "squashed it."

The spur to Round Top was used for years by excursionists. About 1876 "The Dummy" was used on the spur. A steam car with an up-right boiler, it carried 40 passengers. Later two other "steam cars" were used on the spur.

Non-Stop Cutoffs The two men told of cutting cars out of their trains at Hunter's Run "without stopping. The car you wanted to remove would be cut loose from the cars ahead and the cars behind it. Then brakemen held back the remainder of the train until the car got into a sidetrack. They then released the rest of the train so that it rolled on down and caught up with the engine and cars ahead."

They also told of various accidents and the dangers involved in the days before modern automatic coupling of cars and air brakes.

The Historical Society voted to authorize Dr. W. E. Tilberg to speak for the society at a meeting of the Lutheran Theological Seminary board next week. The motion is to explore the possibility of using some of the rooms in the Old Dormitory at the seminary by the historical society. It was pointed out that there is insufficient space in the present quarters to display many of the historical articles in possession of the society.

agency Red Cross disaster fund drives with the permission of the Chest directors.

Reports Presented

Chapter Chairman George W. Naugle presided at the meeting which was held in the library room at the Legion home on Baltimore St. with about 20 directors in attendance.

Reports presented by Mrs. Peggy P. Hill, executive secretary for the county Red Cross, showed \$10,381.27 collected so far toward the Red Cross county goal of \$17,620 in the fund drive launched in March. Sums turned in Tuesday evening brought the total to about \$10,500 and Mrs. Hill said \$5,460 of that amount has come from the borough of Gettysburg. That figure does not include rural areas immediately around the town. Mrs. Hill estimated that about \$1,000 to \$1,200 has been given by districts north and south of the borough. Only south Gettysburg and Gettysburg College districts are complete to date, she said.

To Secure Chairman

The personnel committee was given the responsibility of selecting a 1959 county fund campaign chairman.

The home service report for March, given by Mrs. William H. Pensly, showed 104 office calls, verifications for 114 servicemen, six home visits, help for three veterans and two civilians with financial assistance given in three cases, meal tickets for four persons, one overnight lodging and two trips to veterans' hospitals.

Ralph E. Barley was added to the chapter's finance committee by Chairman Naugle.

To remove a frozen dessert from a mold, dip the mold rapidly into water that is between warm and hot. Then loosen edge with a knife and turn out on serving plate.

FOREST FIRES' DANGER NEAR

Reporting on the forest fire situation in Pennsylvania today, Secretary Maurice K. Goddard of the Department of Forests and Waters said that for the state as a whole the picture was good, thus far.

One three-day period of severe fire weather had resulted in a scattering of fires across the state. Several areas in the western half of the state reported about half of the fires.

Secretary Goddard warned that from past experience, early May is usually the peak time of fire danger. During this time, any period of two or more warm, windy days produces a critical condition in forested areas. He urgently requests the cooperation of all citizens in two important respects.

They are asked, during any period of dry weather, to refrain from smoking, building camp fires or burning debris in or near forested areas. Secondly the public is asked to report any forest fires they may observe to the local telephone operator, who will connect them with the nearest forest officer.

"Through intensive care and vigilance we can all help to keep our state green," states Secretary Goddard.

GETS MILLION IN WIDOW'S WILL

STAMFORD, Conn. (AP)—A professional singer will receive more than a million dollars under the terms of the will of a wealthy Stamford widow who adopted him two years ago when he was 54 and she 78.

Andrej Kristopher, 56, is principal beneficiary of Mrs. Bertha Louise Draper, who died here last April 5. Her will was admitted to probate Tuesday.

Kristopher and his wife, who died in 1955, were long-time friends of Mrs. Draper, widow of Charles Draper, a retiree New Haven railroad executive. Kristopher had assisted her in handling her business affairs.

Mrs. Draper adopted Kristopher in 1956, it was stated, for the specific purpose of giving him the inheritance rights of a natural son. At the time it was testified in court that her only living relatives were unnamed cousins.

CUTS SALARIES

NEW YORK (AP)—The New York Central Railroad expects to save \$200,000 a year by cutting the salaries of its 137 executives earning more than \$15,000 annually. The trimming will equal 10 per cent of the amount above \$15,000.

the Harrisburg Diocesan convention of Catholic women at Shomokin next Monday.

Officers of the Legion of Mary of the parish, who met with legionnaires recently in Gettysburg, plan similar meetings in Catholic Churches in Harrisburg, Waynesboro, Camp Hill, York, Lancaster and Myerstown. They have prepared written explanations of the work of their organization and have distributed them to all Holy Name Society men of the area.
